Club Leaders and Members of Plateau Toastmasters Club:

Congratulations on launching your club website and your recent 16th club anniversary. This is a noteworthy milestone in your club history. I wish I could be there with you personally to celebrate all these tremendous achievements!

I was impressed by reading your club newsletter and to learn how well your club has been performing in the past few months. Your achievements and reaching these milestones indicate that your club is fulfilling the club mission; serving your members by providing a supportive environment where members practice their communication and leadership skills. These achievements also demonstrate that your club has established a Toastmasters legacy, ensuring a sustainable club experience for your members. Your legacy and achievements can now be preserved and shared through your club website. As one of the first clubs on the Island of Mauritius, your club has set a stellar example by striving to innovate to better serve your members, consistently achieving highest recognitions, developing outstanding leaders and fulfilling members' needs. Thank you for your dedication to our core values – integrity, respect, service and excellence.

Your club is a member of our global network of more than 16,800 clubs in 143 countries. Many of your members have served in leadership roles beyond the club level. Thank you for encouraging your members to experience the global Toastmasters opportunities by participating in the larger scope of our organization. The Toastmasters journey in communication and leadership skills development begins at the club level but continues through to the international level.

As your International President this year, it is indeed my privilege to acknowledge your club's achievement. I wish your club continued success for years to come in meeting the needs of your members, fulfilling the club mission and growing outstanding leaders for Toastmasters is truly where leaders are made!

Best Regards,

Deepak Menon, DTM
2019-2020 International President
